

Window Glass Collision Prevention

Decals and other visual markers on **outside** of windows,
no more than 2" apart.

Our yards & landscapes – habitat for creatures and native plants, too

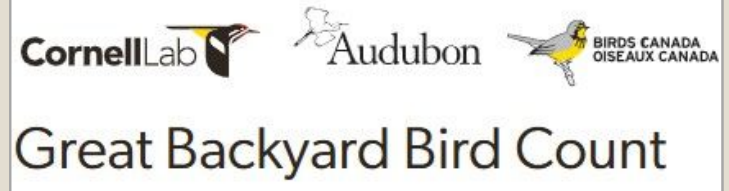

“Homegrown National Park”,
NWF “Wildlife-friendly Landscape”

- Cats Inside
- avoid pesticide and rodenticide use
- window glass collision prevention
- remove invasives, exotics
- reduce lawn size:
 - plant natives - Fassett Farm, Native Plant Trust
- Leave the leaves, No-mow May

Wild Ones Native Garden
free design for Boston area
